“Benefits of Sustainable Growth and Community Development”

IRVINE, Cali. — The Building Industry Association Los Angeles/Ventura and Orange County chapters have teamed up to host the July general membership meeting on the “Benefits of Sustainable Growth and Community Development. Henry G. Cisneros, Executive Chairman of CityView and former Secretary of the U.S. Department of Housing and Urban Development will be the special guest speaker. His presentation will cover the priorities of the new administration and California legislation regarding sustainability & green communities as well as the expectations of the next generations of homebuyers.

The dinner meeting will be held at the Metropolitan Water District in Los Angeles. To reduce our carbon footprint, Orange County attendees can join the BIA/OC Board of Directors on the Amtrak train from the Irvine station directly into Union Station for just \$25 extra. In consideration for the difficult economic times, BIA has reduced the cost of attendance for members to \$55 if reserved by July 21 and \$65 after that or at the door and the cost for non BIA members is \$80. To make reservations including train tickets, please call Philly Pemberton at 949.224.0321 or visit www.biaoc.com/events.
