Friday, July 18, 2008

Suntrek Industries

5 Holland, Building 215, Irvine, CA 92618

7:30am Check-In & Registration

8:00am Breakfast & Tour

10:00am Optional Field Visit to Solar House

Field Trip Sponsor:

Attn: Builders/Developers/Architects/Engineers/City Officials!

The Construction Quality and Sustainable Building Committee recently polled workshop attendees and found that solar energy systems were the most popular green building topic. This industry field trip will help educate members on both commercial and residential solar applications.

On this field trip you will:

Learn more about solar energy and construction

Network with other green members

Tour a solar commercial building & visit a solar home
