

DANIELIAN ASSOCIATES AND ARCHITECTS ORANGE GO GOLD WITH THE GEORGE

The architectural team of Architects Orange and Danielian Associates took home a GOLD AWARD for 'Best Multifamily Building' at The Nationals in Las Vegas for The George, a luxury apartment community located in Anaheim, CA. The George was also recognized at the Best In American Living™ Awards the following night and received a Silver Award for 'Best Infill Community'.

The 340-unit apartment project is located just steps away from Angel Stadium, restaurants, and entertainment. The centerpiece of this project is a 32,000 SF rooftop deck spanning the entire roof surface of the parking structure with views of the stadium, city lights, and Disneyland fireworks. Amenities include a beer garden, rooftop jumbotron, an indoor-outdoor fitness complex with yoga room, two pools, oversized spa, clubroom, and a rooftop garden.
